

SOCKEYE

THE AVAILABLE HOURS TAB SHOWS YOU THE DAILY AVAILABLE HOURS FOR EACH EMPLOYEE IN A CREW

The screenshot shows the SOCKEYE interface with the 'Available Hours' tab selected. The interface includes a navigation bar, a calendar for selecting a week, a filter panel, a main data table, and a 'More' menu. Callout boxes provide instructions for various actions:

- Choose which team you would like to view availability for**: Points to the 'Team' dropdown menu.
- Navigate between Available Hours, Weekly Schedules, and Daily Schedules views**: Points to the navigation tabs.
- View KPIs, Print schedules, Export schedules, or show or hide the filter pane**: Points to the 'More' menu.
- Change your password or log off**: Points to the 'User' dropdown menu.
- Hit 'Refresh' to import data directly from your CMMS**: Points to the 'Refresh' button.
- Filter results by team or crafts**: Points to the filter panel.
- Choose which week to view**: Points to the calendar.
- Navigate between months**: Points to the month/year selector.
- Show/Hide daily totals of available hours**: Points to the 'Totals' row in the filter panel.
- Click on the employee's name for employee details**: Points to an employee name in the table.
- Shows employee availability per day**: Points to a cell in the data table.

SOCKEYE

THE DAILY SCHEDULES TAB LETS YOU BUILD DAILY EMPLOYEE SCHEDULES

The screenshot shows the 'Daily Schedules' tab in the SOCKEYE application. The interface includes a calendar for April 2013, a 'Daily Schedule for Monday, Apr 22, 2013' section, and a 'Backlog for Team' section. Callout boxes provide the following information:

- More menu:** Move scheduled hours or Export the daily Schedule to your CMMS.
- Color-coding:**
 - Under-utilized hours will show in grey.
 - Perfectly utilized hours will show in green.
 - Over-utilized hours will show in red.
 - Absent Employees will show in yellow.
- Buttons:** '+ Add by #' (Add by work order #), '- Remove', 'Details', and 'More'.
- Customization:** 'Displayed task information is customizable in setup'.
- Drag-and-drop:** 'Easily change the scheduled employee by drag-and-dropping'.
- Backlog:** '+ Schedule', 'Details', and 'Refresh' buttons.
- Bottom Callouts:**
 - Schedule the selected work orders.
 - View work order, task & schedule details.
 - Assign directly to an employee from the backlog.
